Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. In Part I. I have dealt with Anglo-Israel assertions and claims, and the arguments by which they are supported; in Part II., which is constructive in its character, and in which the greater part of my original "Letter to an Inquirer" will be found embodied, I have tried briefly to trace the true history of the supposed Lost Tribes; and in Part III., which is altogether new, I have further analysed some of the scriptural "proofs" of a separate fate and destiny of the Ten Tribes from that of "Judah," and have added notes and explanations on some of the more plausible points brought up by all Anglo-Israelite writers.
